

How do I know when I am DGOD?

I like falsehood
 I like pretence
 I am nasty
 I am denying
 I am hateful
 I see my creation as separate from myself
 I abuse my creation to please me
 I experience my creation as need
 I cannot see any other perspective
 I do not know of any other way
 I do not accept
 I do not love
 I do not feel
 I experience worth as real
 I condescend to preserve the idea of superiority
 I reject
 I die
 I repel
 I experience permanence as real
 My tone is harsh
 I do not know who I am
 I know all that there is

How do I know when I am DGOD?

I appraise through approval and disapproval
I blame
I experience responsibility as burden
I am envy
I am greed
I am indulgence
I am excess
I am extremity
I am somewhere
I am everywhere
I am everything
I am not (the same as)
I do not know where I am
I expect
I don't know what I need
I don't know that I am what I need
I experience no
I am unconscious
